

flying tent® Affiliate

What is flying tent® Affiliate and how does it work?

Flying tent Affiliate is a web-based performance marketing program wherein you refer someone to our online products and when that person buys the product based on your recommendation, you receive a pay-per-sale commission of 8%. This works with a tracking URL - a unique link you will receive from your dashboard after successful registration. We also provide you with advertisements (ads, coupons, photos & videos) which can be integrated on your site using the URL.

PPS (Pay per Sale)

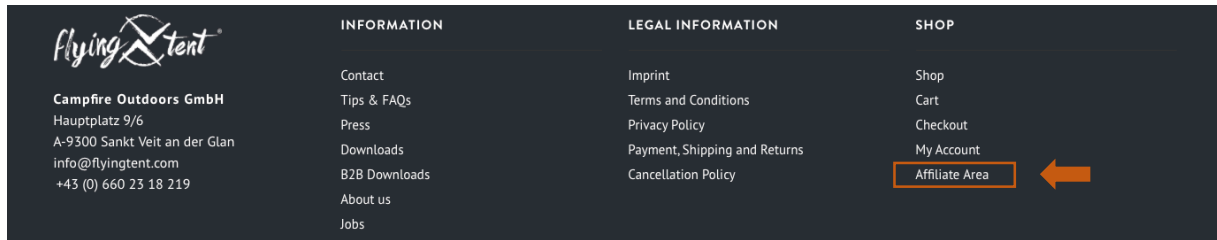

Percentage commission per purchase of the user to the sum of the net shopping basket.
